Sub: BUDGET - Rural Development - Government of India Grant -
Revised Estimate for 1948-49 and Budget Estimate for
1949-50.

To A.S.

The Revised Estimate for 1948-49 and the Budget Estimate for 1949-50 under "25. General Administration - W.I. Expenditure from Rural Reconstruction Grants" are due with Finance on the 10th September 1948. The Government of India Grant is almost spent up, and the Revised Estimate for 1947-48 was fixed up at Rs. 16,677 which was the opening balance under the "grant" on the 1st April 1947, with reference to the sanctions made by the Government. As there was no balance available for further allotment, no provision was made in the Budget Estimate for 1948-49. The expenditure during 1947-48 was, according to the Accountant-General only Rs. 5,625 as against the anticipated expenditure of Rs. 16,677. The Departmental figures of balance for 1947-48 are not available as they have not yet been reconciled by the Collectors and it will take some more time to reconcile the figures. It is therefore for orders (whether the balance available under the grant, i.e. Rs. 16,677 - Rs. 5,625 = Rs. 11,100 (roundly) may be fixed as the R.E. for 1948-49. As regards B.E. for 1949-50 there will not be any provision.

2. Finance may see for remarks.
